No Cardiac clinic or CCA this year. Cardiology will all be attending a conference, so not available this weekend.

- You also need to pre-register for Eye Clinic on the online OFA site. Registrants can enter directly online after sending registration & fee to Marshbanks. Go to online.OFA.org and fill out form with Dr. Townsend's information. Print a copy to show at registration to make sure we have the correct number for Dr. Townsend to look up in the system.
- The OFA fee to file results to their website is separate and will be billed from OFA. Discount code will be offered by OFA with code YGK3. If registered with online.OFA, discount will automatically be applied. If results are hand-submitted, pick up a discount handout at clinic.
